

Welcome to the Holy Land Handicraft Cooperative Society Website

Welcome to the Holy Land Handicraft Cooperative Society! What We Do We strive to alleviate local poverty, decrease unemployment, increase income levels, decrease emigration, and sustain the Palestinian handicraft industry for the benefit of traditional artisan producers by effectively marketing our members' products, making raw materials available at a low cost, and developing our capabilities technically and managerially. We welcome you to browse our online product catalog. See something you like? Register and use our shopping cart feature to email us an inquiry about the products you like. Or, if you would like to know more, just contact us, and we'll get in touch with you as soon as possible!
